Refer to the 2014-2015 University of Southern California Catalogue for course descriptions.

*This plan assumes that you will satisfy the Diversity requirement with a Cat II or VI GE that also counts for Diversity (denoted by a "g" and an "m" following the course number). If you do not, you will need to use 4 units of your electives on a Diversity course.

** GE Category V is recommended for the first semester, but another category may be taken at that time. Note that BM Vocal Arts majors are not required to take Category I.

◆This course may be taken in a different semester than indicated in this plan. Consult with your academic advisor.
