Refer to the 2015-2016 University of Southern California Catalogue for course descriptions.

*G.E. Requirements: The sequence of Theory I (MUCO 133ab) will satisfy GE-A. One Music History course will satisfy one GE-B course. BM Vocal Arts students are also waived from the second GE-B course. One GE course must be a GE Seminar (GESM) taken in your freshman year. The Global Perspectives requirement (GE-G and GE-H) can be satisfied through Core Literacy classes. Therefore, with correct planning, only 5 GE courses will be needed outside of your major requirements.

**The undergraduate music history requirement is currently being revised. Four of the twelve required units will fulfill one course requirement for GE-B Humanistic Inquiry. Four units of music history will likely be taken in the fall of sophomore year, spring of sophomore year, and fall of junior year. Specific course requirements and unit values are forthcoming and will be available from your advisor once finalized.

◆This course may be taken in a different semester than indicated in this plan. Consult with your academic advisor.
