*G.E. Requirements: Music majors, by nature of their degree requirements, will have GE-A met. GE-F will be met by completing ECON 203g or 205g. One GE course must be a GE Seminar (GESM) taken in your freshman year. The Global Perspectives requirement (GE-G and GE-H) can be satisfied through Core Literacy classes. Therefore, with correct planning, only 6 GE courses will be needed outside of your major requirements.

**MUIN Marketing req. can be met by completing a minimum of 4 units from: MUIN 410 (2u), MUIN 420 (2u), BUAD 307 (4u), or BUAD 385x (4u)

***The undergraduate music history requirement is currently being revised. Four of the twelve required units will fulfill one course requirement for GE-B Humanistic Inquiry. Four units of music history will likely be taken in the fall of sophomore year, spring of sophomore year, and fall of junior year. Specific course requirements and unit values are forthcoming and will be available from your advisor once finalized.

♦ This number may vary based on transfer courses, AP and test-outs.
