Master of Music (MM)
Screen Scoring

Tuition: Flat rate tuition................................................................. $ 55,320

Fees: Individual Instruction ......................................................... $ 1,400 (see below)
Orientation (one-time fee) ......................................................... $ 55
Student Health Service............................................................... $ 698
Mandatory Health Insurance....................................................... $ TBD (see below)
Student Programming............................................................... $ 80
Norman Topping Student Aid...................................................... $ 16

Note: These costs reflect tuition and fees for one academic year (two semesters) only. In most cases, half of each of the above amounts for tuition and fees are due at the beginning of each semester, one significant exception being the student health insurance fee which is assessed at a larger amount in the spring than in the fall. Actual living and incidental expenses (such as personal expenses, books, and musical materials) vary from student to student and are not accounted for on this cost list. All amounts listed are subject to change without notice.

Individual Instruction: The Individual Instruction fee of $350 is charged in addition to tuition for each unit of registration in Individual Instruction. Screen Scoring students can expect to be charged for two units of Individual Instruction each semester.

Mandatory Health Insurance: For details, please refer to http://engemannshc.usc.edu/insurance/

**Financial Aid for Screen Scoring Students:**
- Teaching assistantships are not available for this program
- Students in this program are automatically considered for a limited number of scholarships
- US citizens and permanent residents can be eligible for up to $20,500 in Federal Stafford loans (refer to USC financial aid website: http://financialaid.usc.edu/)
- International students are not eligible for aid in this program
