*G.E. Requirements: MUHL 350 will satisfy GE-A. MUHL 250 will satisfy one GE-B course. One GE course must be a GE Seminar (GESM) taken in your freshman year. The Global Perspectives requirement (GE-G and GE-H) can be satisfied through Core Literacy classes. Therefore, with correct planning, only 6 GE courses will be needed outside of your major requirements. If you do not satisfy your Freshman Seminar and/or Global Perspective within the Core Literacies, you will need to use elective units to complete the GE requirements.

Courses in **bold** are offered every other year and must be taken in the semester listed in this plan.
