♦Choose one from MTEC 176 Critical Listening or Musicianship (see requirements list for pre-approved Musicianship coursework)

*G.E. Requirements: Music Industry majors, by the nature of their degree requirements, will satisfy GE-A with a pre-approved Musicology course. GE-F will be met by completing ECON 203g or 205g. One GE course must be a GE Seminar (GESM) taken in your freshman year. The Global Perspectives requirement (GE-G and GE-H) can be overlapped with select Core Literacy classes. Therefore, with correct planning, only 6 GE courses will be needed outside of your major requirements.
