* This plan has a total of 32 units. Therefore, a student can take up to 2 units worth of MGEE review courses and stay within 8 units each semester. Any additional review courses can result in an increase in the total number of units in order to satisfy all degree requirements. All MGEE requirements must be completed within the first year of your program of study.

**Individual Instruction: 4 units can be comprised of lessons in any performance medium, music technology (MTEC), or conducting (MUCD). Individual instruction can be taken for 1 or 2 units a semester. Conducting classes at the 400-500 level (2 units) can also apply to this requirement.

***MUCO 592 may be substituted with another approved MUCO 400-500 level elective.

Electives: Your degree program requires 8 elective units. 4 units of electives must be within the Thornton School. The other 4 can be from any other school or department at USC but must be at the 400-500 level. Consult your advisor if you plan to take non-Thornton electives as they may have pre-requisites or particular D-clearance requirements. MGEE review courses **do not** count as general elective units.
