*G.E. Requirements: MUHL 350 will satisfy GE-A. MUHL 250 will satisfy one GE-B course. One GE course must be a GE Seminar (GESM) taken in your freshman year. The Global Perspectives requirement (GE-G and GE-H) can be satisfied through Core Literacy classes. Therefore, with correct planning, only 6 GE courses will be needed outside of your major requirements. If you do not satisfy your Freshman Seminar and/or Global Perspective within the Core Literacies, you will need to use elective units to complete the GE requirements.

Courses in bold are offered every other year and must be taken in the semester listed in this plan.
