Any additional review courses can result in an increase in the total number of units in order to satisfy all degree requirements. All MGEE requirements must be completed within the first year of your program of study.

Courses in **bold** are only offered in the semester they are listed in.

Electives: Your degree program requires 3 elective units. These units can be from any other school or department at USC but must be at the 400-500 level. Consult your advisor if you plan to take non-Thornton electives as they may have pre-requisites or particular D-clearance requirements. MGEE review courses **do not** count as general elective units.
